

*Collects to be used by The Society for Propagating Christian Knowledge*

O Lord, Raise up (we pray thee) thy Power, & Come among us; & with thy Might Succour us; that whereas, through our Sins & Wickedness, we are sore ~~lost~~ <sup>hindred</sup>, in Running the Race which is Set before us; Thy bountiful Grace & Mercy <sup>may</sup> speedily Help & Deliver us, through the Satisfaction of thy Son our Lord: to Whom, with Thee, & the Holy Ghost, be ~~the~~ Honor & Glory, World without End. Amen.

O Lord, who hast Taught us that all our Doings without Charity, are nothing worth; Send thy Holy Ghost, & pour into our Hearts that most excellent Gift of Charity, the very Bond of Peace, & of all Virtues; without which, whosoever Liveth is accounted Dead before Thee: Grant this for thine only Son Jesus Christ's Sake. Amen.

O Lord, we Beseech thee, let thy continual Pity Cleanse & Defend thy Church; & because it cannot continue in Safety without thy Succour; Preserve it evermore by thy Help & Goodness, through Jesus Christ our Lord. Amen.

O Merciful God, who hast made all Men, & Hatest nothing that thou hast Made; nor wouldst the Death of a Sinner, but that he should be Converted and Live: Have Mercy upon all Jews, Turks, Infidels & Hereticks, & take from them all Ignorance, Hardness of Heart, & Contempt of Thy Word: And so fetch them Home, blessed Lord, to thy Flock <sup>that</sup>, they may be Saved among the Remnant of the true Israelites, & be made one Fold under one Shepherd Jesus Christ our Lord, who Liveth & Reigneth with Thee & the Holy Spirit, one God World without End. Amen.

O Lord, from whom all Good Things do come, grant to us thy Humble Servants, that by thy Holy Inspiration, We may Think those Things that be Good, and by thy Merciful Guiding, may Perform the same, through our Lord Jesus Christ, Amen.

Prevent us, O Lord, in all our Doings with thy most Gracious Favour, & Further us with thy Continual Help. Direct & Prosper all our Consultations, & Endeavours to the Advancement of thy Glory, the Good of thy Church, & the Propagation of Christian Knowledge in the World; that Peace & Happiness, Truth & Justice, Religion & Piety, may be Established among us, for all Generations. And that in All our Works, Begun, Continued, & Ended in Thee, We may Glorifie thy Holy Name, & finally, by thy Mercy, obtain Everlasting life, through Jesus Christ our Lord: In whose Blessed Name & Words, we Conclude these our Prayers.

Our Father, which art in Heaven; Hallowed be thy Name. Thy Kingdome Come. Thy Will be done in Earth, as it is in Heaven. Give us this Day our daily Bread: And Forgive us our Trespases, as we forgive them that Trespase against us. And lead us not into Temptation; but deliver us from Evil: For thou art the Lord, & the Father, & the Glory, for Ever & Ever. Amen.

largely of the Branches of the Baptists thereabouts, who seduce very many to Popery. And in  
one of our Townships their number has been increased to 60. by placing those Poor Chil-  
dren in the Hands of Papists, where Parents did, or went off. The Doctor thinks this  
evil cannot be prevented, thro the Defect of our Laws, which might, without any Colour  
of Consecution or Aversity, provide more Effectually for the Protestant Education of the Children  
Protestants by Prohibiting all Overseers to commit the Keeping of Poor Children,  
to Bind them Apprentices to any Baptist. <sup>The Doctor</sup> He also desires to know when his Sermon  
is like to be Printed?

- (11.) Upon Reading of the Letter abovesent, The Society agreed, 1. That he shall have a  
Copy of the Prayers <sup>agreed to by the Charity School</sup> transmitted to him, as soon as it comes from  
the Press. 2. That the Secretary shall transcribe some Copies of that Part of his Letter  
relating to the Proceedings of the Baptists. 3. That he shall Write to the Doctor for a  
more full & particular Account of all his Sermons relating to this Matter, there being many  
of Popish Branches in gaining Proselytes as notorious as these, <sup>as to their Knowledge</sup>  
And 4. that 50 Copies of his Sermon abovesent in Marble, <sup>(it being now Printed)</sup> shall be sent to him, or  
such a Number as he shall desire.

Another from Mr Broadhew of Namptwich, who transmits the MS. Tract composed by John  
the Anabaptist Teacher against Mr Wall & Himself; with a Short Answer to what relates to  
Himself in that Tract. The Secretary was Orderd to send them both to Mr Wall.

Another from Mr Howard of Kederminster to Mr Seave, importing that he has disposed  
the Books containd in the Great Parcel sent to him by the Society, according to their  
Intentions. He found so many Poor Families without Bibles, that he purposes to try the  
Charity of <sup>neighbouring</sup> Gentlemen for a farther supply. That the smaller Books have done  
good among the Poor, and that the Charity-School Flourishes very well.

Mr Manningham in the Chair till Mr Watson came,

The Poor Box being Open'd, the sum of 04.14.09<sup>1</sup>/<sub>2</sub> was found therein, and deliver'd to Mr Shute. Mr Shute Reported that at the last Examination of the Poor Children taught in the School at Kings, the sum of 10.07.08 was Collected for them and that there will be another such like Examination of the same Poor Boys, upon the 3<sup>rd</sup> Instant, at 3 a clock.

Agreed, that whereas 16000 of the Prayers for the use of Poor Children, were Order'd to be Printed, that 1000 of them shall be so Printed, as to bind up with Mr Lewis's Catechism.

The Secretary produced the Lists of the Orders Directions, according to which he thinks the Books may be sent to the Correspondents, and was Order'd to go on with the same.

- the Reports in Order to the sending of Bibles to their Religion, and to their Education, by giving a Shop to them, till he gained both Public & Private Satisfaction. He also thanks the Society for their Present of 50 Copies of his Sermon; & desires 50 more (to be paid for) which are to be stitched in Marble-Paper, & the Leavers gilt; & the other 25 in Old paper.
- (6.) Agreed that the 50 Copies should be gilt, according to the Doctors Desire, to be presented to him, and sent according to his Directions.
- (7.) The Doctor in that Letter does very much approve of the Prayer for the Poor Children, which he thinks may very conveniently be added at the End of his ~~Annual~~ <sup>Annual</sup> Treatise concerning the Duty of School-masters, together with a Prayer for the Private use of the School-master, and a short Form to be said by those Younger Children, whose Memory is not capable of retaining a Longer.
- (8.) Another Letter was Read from the same Dr Talbot, written in pursuance of the former, together with an Enlosed paper of Queries, suggesting Divers Hints, for stopping the great Growth of Popery in Divers parts of this Kingdom, to be Effected by Act of Parliament. The Secretary was Order'd to thank the Doctor for both his very good Letters, and to caution the Society not intermeddling in this Matter which is of a Public Nature, and not so proper for them to appear in, who are but a private Society, &c.
- (9.) Another from Mr Wall of Shoreham who returns back Mr Acton the Anabaptist Treatise against him & Mr Bradshaw, with Mr Bradshaw's answer, & some remarks of his own, which he desires may be sent to Mr Bradshaw. Mr Wall writes farther, that he has prevailed with some of his Parishioners to set up a sort of Charity School there: towards which, those of ability who have no Children do subscribe 10<sup>s</sup>. 20<sup>s</sup>. 30<sup>s</sup>. or 40<sup>s</sup>. p ann. Those of Ability who have Children, subscribe somewhat more than the Teaching of their Children would come to. Thus he has procured a Subscription of 24<sup>l</sup>. p ann, & hopes to advance it to 40<sup>l</sup>. p ann more. A Master is pitch'd upon, and Enters upon the Business after the Holydays, not doubting but that by Teaching the Children of Non-Subscribers, he may in all gain 30<sup>l</sup>. p ann. Mr Wall thinks this the most practicable Way of Erecting Charity-Schools in any great Number of Country-Villages; most of which may thus raise 20 or 30<sup>l</sup>. p ann; and of this sort, joining together may be able to set up a school. One great Conveniency of these Schools is this, that the School-master will always be very much under the Influence of the Curate, who Parish, & therefore instruct the Children in the Catechism, bring in to Church, &c.) hence the Assistance of the Minister is necessary to him in procuring the Subscriptions.
- (10.) Part of a Letter from Mr Davenport of Broad-Horton was read, whose School is now increased to 25. and <sup>mentions a</sup> complains for want of Bibles, & of money for buying the poor Children or Stockings. The Society Agreed to give him 12 Bibles for the same poor Children.
- (11.) ~~Mr Messers~~ <sup>Mr Messers</sup> Reported from the Standing Committee, that J. William Youder having the List of Gentlemen recommended by Mr Commissary Waits to the Society for Conversion, he did know & approve of Divers of them, to whom he would write about it, & also endeavour to incline others towards the same. And also, to enquire after the general Disposition of the Town of Wakefield towards the Union of Charity-Schools there.

The Committee proposed to be added to the second General Letter, & to be  
sent to other Correspondents, which being Read from the Committee Book, was agreed  
the Society: as was also an Amendment to the First General Letter, relating to the  
Number of Poor Children taught in Town & Country.

might improve Divine Music throughout the Nation, by Subscription. He did formerly  
put down his Thoughts on this Subject in Writing, and is willing to give his Copy, if  
the Society please to Mr. Downing to Print.

(16.) Another from Mr. Tatham of Sutton on the Hill, who has remitted up 11. whereof 4.2. is  
5 Common-prayers formerly sent him; 1. a benefaction to the Welsh Librarian, given by  
French Minister, a single man, & beneficed in a living of above 7000 pounds, & given  
The rest is for common prayers, & some small Tracts: & he desires besides, 3 Com-  
mon-prayers with Cuts, & 2 Bibles to be sent him, for which he will pay; and Mr. Tatham  
undertook to buy them. He said he could get no more for the Welsh Librarian, but  
that affair is not recommended to the Clergy by their Bishop, nor by the Arch-  
Bishop. He says that the Quakers boast much of a <sup>Copy Sheet</sup> published by them, Entitled  
Christianity of the people called Quakers Asserted, and ask for an answer to it, but  
it to be unanswerable, and therefore he wishes another sheet may be drawn up in answer  
to it & dispersed, which he thinks may do much good. Lastly, he wishes that the  
Society have Effect to their Design of erecting Libraries in Wales, that they would  
of something of the like Nature for the benefit of the Clergy in the Morlands of

W. H. W.

I John Cockburn D.D. Minister of the English Episcopal Church at Amsterdam, do hereby Certify & Declare that I have for some Years known the most Reverend Thomas Wardapied Abbot of the Order of St. Anthony, & Arch Bishop of Gochin in Armenia, as also Lucas Nurigian his Nephew. I have been present when the said Most Reverend Arch Bishop did officiate in the Chapel belonging to the Armenian Christians, and often have seen him receive the Honor & Acknowledgement of an Arch Bishop from the Merchants in this Place. I have had frequent Conversation both with the said Most Reverend Arch Bishop, and with Lucas Nurigian his Nephew, and I do verily believe them to be Persons of great Sincerity, Piety, and of a Public Spirit. They came hither to procure a Printing Press, & to get Types set up in the Armenian Character for Printing Books in that Language to promote Piety & Learning.

a *Copy of the Imitation of Christ, the Imitation of Christ, and on this Church, and some other*  
*Books useful to Learning & Duty; all which, I have seen. But as this Undertaking has been*  
*very Chargeable to the good Bishop; in the last & present War have been very many*  
*as they have Occasioned divers Losses & Disappointments, hindering his own Return to his*  
*Country, and the safe Conveyance of the abovementioned Books thither. One Document of*  
*them was lost by the taking of the Ship in which it was, & He is afraid to adventure more in*  
*a good Peace, lest this whole Design be marred & frustrated. By all which means this*  
*Venerable Person is reduced to Straits & Difficulties, so that he could be pious & generously*  
*in any to assist him, that his Old Age may be supported, and that he may be able to carry*  
*on his Charitable Project. And because these things are not much known, neither*  
*can be made known by themselves to the English, seeing they speak not the Language, I have*  
*Judged my self obliged to Attest the Truth of the Premises, which I do by affixing my Name*  
*Verbal to this, Written by my self, Day & Place as above.*
